

# Eastport Pirate Festival

## Vendor Invitation

The Eastport Pirate Festival has become one of the marquee family events on the Coast of Maine and Atlantic Canada! An event not to be missed!

Attracting > 15,000 people during the 3 days of events; the Pirate festival unfolds the weekend after Labor Day in September. Saturday will entice a crowd with the parade, a top name band, and an amazing firework display. Followed by an equally enticing day on Sunday!

While we are excited to be able to accommodate a larger amount of vendors, we are still limiting the food vendors in order to increase sales and vendor satisfaction; we cannot guarantee there will be no duplicate items this year. Having said this, it is increasingly important that ALL submissions be received quickly.

Applications received will be reviewed and decided upon by a jury; delay in sending in your application may result in missing out on a spot. Rates for the festival are as follows: All Fisherman Parking lot spaces shall be \$225.00 for the 3 day period. There will be a \$25.00 additional charge for vendors who require electricity and/or water. Vendors wishing to be in the Secondary area will be charged \$100.00 for the 3 day period and the extra charge for electricity still applies, there is no water access in the secondary vending area and spaces with electric access is very limited in the crafts area.

It is important to us that we keep our town looking and feeling good during the festival. It is imperative that each food vendor provide the public with a trash receptacle in their vicinity. It is the responsibility of the vendor to ensure this receptacle is maintained in a timely manner and this will be strictly enforced.
